Worksheet for week-6(7<sup>th</sup> July-15<sup>th</sup> July 2021)

DAY-1,DAY-2,DAY-3

CHAPTER-7

Fill in the blanks

- i) We should not\_\_\_\_\_ cough or excrete in public place.
- ii) \_\_\_\_\_pollution causes diarrhoea and jaundice.
- iii) Things around us make our\_\_\_\_\_.
- iv) \_\_\_\_\_comes for throwing garbage here and there.
- v) We depend on \_\_\_\_ for our food.
- vi) Traffic noise and loud\_\_\_\_make us tired.

Broad Question:

(1) Why should we preserve our environment?

Answer:Environmental pollution creates different problems in the lives of humans and other animals.Bad smell comes for throwing garbage here and there.Dirty swamps or trash around houses and schools breed mosquitoes and flies.And as a result different kinds of diseases spread from here.Diarrhoea and jaundice breaks out if the water is polluted.It is difficult to hear if there is loud noise.We depend on agriculture for our food.Earth pollution leads to poor harvest.Trees die.That is why we should preserve our environment.

(2)How is environment polluted?

Ans:The environment is being polluted for different reasons.For example-

- i)People throw banana peel on the road,play ground or on the pond and river.
- ii)People spit and throw cough everywhere.
- iii)Black smoke comes out of cars and brick fields.Vehicles and industries are a source of noise.
- iv)Sometimes people play music in loud volume.Like this earth,water,air and sound is being polluted.And this is called environment pollution.

True/False:

- i) We should not spit, cough or excrete in public place.
- ii) Industries and vehicles produce smoke and create water pollution.
- iii) We should keep our houses, roads and play grounds clean.
- iv) Traffic noise and loud music make us refresh.
- v) We can throw our rubbish in proper places.
